Hello, PFAS Leads for ORD Centers.

ORD/OSAPE is contacting you for assistance in conducting a wider ORD review of OCSPP's initial thoughts on their potential approaches to define what PFAS will be included in the **TSCA Section 8(a) Data Call** rulemaking that they are currently developing as required by the National Defense Authorization Act for Fiscal Year 2020 (NDAA). Please see the attached document - NDAA 2020 - Title LXXIII PFAS - Subtitle E – for the statutory background for this action.

NDAA does not provide a PFAS definition or specific list of PFAS for EPA to include in this TSCA Section 8(a) rulemaking.

## Ex. 5 Deliberative Process (DP)

reaching out to the ORD Center PFAS Leads to have the appropriate ORD experts review these potential approaches, and OSAPE will provide those comments to OCSPP for their consideration as they move forward with this rulemaking.

**Please review the attached PFAS TSCA 8(a) Scope document and provide any comments from your Center back to me by COB Tuesday, 3/31.** OSAPE will provide consolidated comments to OCSPP for consideration and continued workgroup discussions on the development of this TSCA Section 8(a) rulemaking.

Thank you in advance for your consideration in helping with this request. Please reach out to me if there are any questions.

Regards,

## Walter
